On November 22, 2019, the defendants removed this case to federal court. By an Order of December 2, the Court notified the plaintiff that the case would be dismissed unless counsel for plaintiff filed a notice of appearance by December 13. On December 5, the Court ordered defendants to serve the December 2 Order on the plaintiff. The defendants filed a certificate of service on December 5, indicating that the plaintiff had been served by mail with the December 2 Order. The December 13 deadline has now passed, and plaintiff has not filed a notice of appearance or otherwise communicated to the Court that it

intends to continue to prosecute this case. Accordingly, it is hereby

ORDERED that the above-captioned action is dismissed.
